EXPLANATORY STATEMENT***(PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013)*****Item No. 3****RE-APPOINTMENT OF MR. NIMIS SAVAILAL SHETH (DIN 00482739) AS AN INDEPENDENT DIRECTOR**

On April 1, 2014, the Ministry of Corporate Affairs notified Section 149 of the Act and related Rules. Accordingly, Mr. Nimis Savailal Sheth was appointed as an Independent Director on the Board of your Company pursuant to the provisions of Sections 149, 152 and any other applicable provisions, if any, of the Companies Act, 2013 and the rules made thereunder (including any statutory modification(s) or re-enactment(s) thereof for the time being in force) read with Schedule IV to the Companies Act, 2013 and Clause 49 of the Listing Agreement, by the Shareholders at the 18th Annual General Meeting ("AGM") of the Company held on September 15, 2014. He hold office as Independent Director of the Company up to September 14, 2019 ("first term" in line with the explanation to Sections 149(10) and 149(11) of the Act).

The Board on July 30, 2019, based on the recommendations of the Nomination and Remuneration Committee and pursuant to the performance evaluation of Mr. Nimis Sheth as a Member of the Board and considering that the continued association of Mr. Nimis Sheth would be beneficial to the Company, proposed to re-appoint Mr. Nimis Sheth as an Independent Director of the Company, not liable to retire by rotation, for a second term effective September 15, 2019 up to September 14, 2024. Further, the Company has, in terms of Section 160(1) of the Act, received a notice in writing from a Member proposing the candidature of Mr. Nimis Sheth for the office of Director. The Company has received from Mr. Nimis Sheth (i) Consent in writing to act as Director in Form DIR-2 pursuant to Rule 8 of the Companies (Appointment and Qualifications of Directors) Rules, 2014 (ii) Intimation in Form DIR-8 in terms of the Companies (Appointment and Qualifications of Directors) Rules, 2014, to the effect that he is not disqualified under Section 164(2) of the Act (iii) Declaration to the effect that he meets the criteria of independence as provided in Section 149(6) of the Act read with Regulation 16 and Regulation 25(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ('Listing Regulations') and (iv) Declaration pursuant to BSE Circular No. LIST/COMP/14/2018-19 dated June 20, 2018, that he has not been debarred from holding office of a Director by virtue of any Order passed by Securities and Exchange Board of India or any other such authority. In terms of Section 149, 152 and other applicable provisions of the Act, read with Schedule IV of the Act and the Rules made thereunder, and in terms of the applicable provisions of the Listing Regulations, each as amended, the re-appointment of Mr. Nimis Sheth as an Independent Director of the Company for a second term commencing September 15, 2019 upto September 14, 2024 is being placed before the Shareholders for their approval by way of a special resolution.

Mr. Nimis Sheth, once appointed, will not be liable to retire by rotation. In the opinion of the Board, Mr. Nimis Sheth is a person of integrity, fulfils the conditions specified in the Act and the Rules made thereunder read with the provisions of the Listing Regulations, each as amended, and is independent of the Management of the Company. A copy of the draft letter of appointment of Mr. Nimis Sheth as an Independent Director setting out the terms and conditions of his appointment is available for inspection without any fee payable by the Members at the Registered Office of the Company during the normal business hours on working days up to the date of the Annual General Meeting ('AGM') and will also be kept open at the venue of the AGM till the conclusion of the Meeting. The profile and specific areas of expertise of Mr. Nimis Sheth are provided as annexure to this Notice.

None of the Directors and Key Managerial Personnel of the Company or their respective relatives, except Mr. Nimis Sheth, to whom the resolution relates, is concerned or interested in the Resolution mentioned at Item No. 3 of the Notice. The Board of Directors recommends the Resolutions at Item No. 3 of the accompanying Notice for the approval of the Members of the Company as a Special Resolution.

ITEM NO. 4**APPROVAL FOR RELATED PARTY TRANSACTIONS UNDER SECTION 188 OF THE COMPANIES ACT, 2013**

Section 188 of the Companies Act, 2013 provides that except with the consent of the Board of Directors given by a resolution at a meeting of the Board and subject to such conditions as prescribed in rules framed in this regard, no company shall enter into any contract or arrangement with a related party with respect to transactions specified therein. It is further provided that in case of a company having paid-up share capital of not less than such amount or transactions not exceeding such sums as are prescribed in the rules framed in this regard, no contract or arrangement shall be entered into except with the approval of the company by an ordinary resolution. It is further provided that nothing in this sub-section shall apply to any transaction entered into by the company which are entered in its ordinary course of business and are at arm's length.

Prior approval of shareholders is required for the transactions that are not in the ordinary course of business and not at an arm's length basis. Though your Company always seeks to enter into transactions with related parties in the ordinary course of business and/or at arm's length basis, still as better corporate governance measure, it is considered desirable to have the consent of the Members in respect of related party transactions.

Pursuant to rule 15(3) of Companies (Meetings of Board and its Powers) Rules, 2014, the nature of transactions with the related parties is provided in the said resolution.

The transactions entered with the Related Parties, were placed before the Audit Committee. The said transactions were approved and recommended to the Board.

The members are further informed that no member(s) of the Company being a related party or having any interest in the resolution as set out at item No. 4 shall be entitled to vote on this Ordinary Resolution.

None of the Directors other than those representing the related parties, Key Managerial Personnel's of the Company or their relative(s) are interested and/or concerned with the said Resolution. The Board recommends the resolution set forth in Item No. 4 for the approval of the Members as an Ordinary Resolution.

Subsidiary/Joint Ventures/Associate Companies:

The Company does not have Joint Ventures/Associate Companies. The Company has One Subsidiary Company "The Motwane Manufacturing Company Private Limited".

Loans, Guarantees or Investments

Details of Loans, Guarantees and Investments covered under Section 186 of the Companies Act, 2013 form part of the notes to the financial statements provided in this Annual Report.

Management Discussion and Analysis**a) Economy review:**

The long-term growth perspective of the Indian economy is changing due to continued investments in infra in Transmission and Distribution, railways and metro's, lighting and digital initiatives. Stable policies and good initiatives like smart cities. Your Company (through its Subsidiary) is in the business of manufacturing electrical equipment, a significant portion of which is supplied to the power sector which has continued to be affected by the political & economic situation. We hope to see a gradual recovery.

b) Business and Industrial review and future outlook:

The Company mainly operated on Metal Recovery Plant and produces Low Ferro Manganese (Slag) through its slag recovery process. However, the re-useable waste of fine particles remaining in the manganese slag which was dumped at various places at the factory site is depleting and it is uncertain how much slag is left. The technical consultants are also of the same view.

The management of the Company has foreseen this & thus entered another segment of business couple of years earlier via a majority stake in "The Motwane Manufacturing Company Private Limited", now a subsidiary company and is looking to develop its business in electrical sector. The company is also looking at other business opportunities including monetizing its assets and redeployment of the same in better business opportunities.

c) Risks, Concerns & Threats:

Depletion of slag dumps posed a major problem for the Company. In order to counter this, the Company entered into another business through its subsidiary company "The Motwane Manufacturing Company Private Limited" and is looking to develop it. The Management of the Company meets frequently to take the stock of all the impending and immediate threats to the business and takes necessary steps for positioning of the Company to meet the same in time. Any major threats affecting the Company in general and business environment indirectly affecting the functioning of the Company are discussed with the Board from time to time.

d) Internal Control Systems:

The Company has adequate internal control systems in place with reference to the financial statements. The Audit Committee of the Board periodically reviews the internal control systems with the management, Internal Auditors and Statutory Auditors and the adequacy of internal audit function, significant internal audit findings and follow-ups thereon.

e) Financial Performance / Overview of Operations:

During the year under review, the revenue from operation of the Company increased to Rs. 46.69 Lakhs from Rs. 15.48 Lakhs in the previous year.

Subsidiary Company and Consolidated Statements

Your Company has one subsidiary i.e 'The Motwane Manufacturing Company Private Limited' (MMCPL). During the financial year 2018-19, total revenue of the MMCPL has increased to Rs. 40.69 crores from Rs. 29.81 crores in the previous financial year and the net profit of the Company has increased to Rs. 89.10 Lakhs from Rs. 6.66 Lakhs in the previous financial year.

The Consolidated Financial Statement of your Company for the financial year 2018-19, are prepared in compliance with applicable provisions of the Companies Act, 2013, Accounting Standard and SEBI(Listing Obligations and Disclosure Requirements) Regulations, 2015. The Consolidated Financial Statements have been prepared on the basis of audited financial statements of the Company, its subsidiary, as approved by their respective Board of Directors.

Pursuant to sub-section (3) of section 129 of the Act, the statement containing the salient features of the financial statement of Company's subsidiary is given as AOC -1. Brief particulars about the business of the Subsidiary are given hereunder.

MMCPL is an R & D based company and has developed various high technology test and Measurement products which have applicability in the domestic and international markets. The company's products are sold primarily to the power sector and energy intensive industries. The company expects gradual pick up in its order book due to growth and reform in the distribution sector in which the company operates. Alternatively, it is exploring its potential in the IOT space in adjacent areas like smart lighting and other IOT related industrial solutions.

f) Material developments in human resources / industrial relations, including number of people employed

The human resource plays a vital role in the growth and success of an organization. The Company has maintained cordial and harmonious relations with employees.

During the year under review, various training and development workshops were conducted to improve the competency level of employee with an objective to improve the operational performance of individuals. The Company has built a competent team to handle challenging assignments and projects.

The Company has 19 permanent employees as on March 31, 2019.

g) Details of Significant Changes

Ratios	2019	2018
Debtors turnover ratio	-	-
Interest coverage ratio	(65.10)	(15.86)
Current ratio	53.35	57.80
Debt equity ratio	0.004	0.003
Operating margin ratio	(1.79)	(1.83)
Net profit margin %	(182)%	(246)%
Return on Networth %	(1.18)%	(0.53)%
PE ratio	(0.65)	(0.29)
Return on Net worth %	(57.31)	(124.14)

Reason for significant change:

- The interest coverage ratio has come down to (65.10) due to loss incurred by the company during the year. However the management is of the view that the losses are due to Ind AS effect wherein the notional losses of current investments have been factored in and the Company has adequate cash flow to service the interest.
- The debt has increased marginally and the company has a comfortable debt equity ratio of 0.004.
- The net loss margin has decreased due to increase in sales as compared to last year. However the management's contention is that it is due Ind AS effect wherein the notional losses of current investments have been factored in.
- The negative earnings per share have increased from (0.29) to (0.65) per share i.e. there is an increase of 124% due to the increased losses by the Company in the current year. The negative EPS is mainly on account of notional losses of current investments as per Ind AS and as such is of transitional nature.

h) Details of any change in Return on Net Worth as compared to the immediately previous financial year

Due to increase in loss for the current year the return on net worth i.e. the return on shareholders' equity has gone down by 124%. The management has reiterated that since the net losses are mainly due to the Ind AS affect the negative EPS is of transitional nature.

Risk Management

The Company is aware of the risks associated with the business. The Senior Managements regularly analyses and takes corrective actions for managing / mitigating the same. In terms of the requirement of the Act, the Company has authorized Senior Management to manage, monitor and report on the principal risks and uncertainties that can impact the ability to

achieve the Company's strategic objectives. The Senior Management periodically informs the board on various issues along with its recommendations and comments for Board's review and necessary action.

Independent Auditors' Report

To the Members of

Nagpur Power And Industries Limited

Report on the Audit of the Standalone Financial Statements Opinion

We have audited the standalone financial statements of **Nagpur Power And Industries Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2019, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2019, and loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr.no	Key Audit Matters	Our Response
1.	Defined benefit obligation The valuation of the retirement benefit scheme in the company is determined with reference to various actuarial assumptions including discount rate, future salary increases, rate of inflation mortality rates and attrition rates. Due to the size of these assumptions can have a material impact on the defined benefit obligation	We have examined the key controls over the process involving member data, formulation of assumptions and the financial reporting process in arriving at the provision for retirement benefits. We tested the controls for determining the actuarial assumptions and the approval of those assumptions by senior management. We found these controls were designed, implemented and operated effectively, and therefore determined that we could place reliance on these key controls for the purpose of our audit. We tested the employee data used in calculating the obligation and where material, we also considered the treatment of curtailments, settlement, past

		<p>service costs, remeasurements, benefits paid, and other amendments made to obligations during the year. From the evidence obtained, we found the data and assumptions used by the management in the actuarial valuations for retirement benefit obligations to be appropriate.</p>
--	--	---

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable

assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India

in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- (A) As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and records.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on 31 March 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT ON THE ACCOUNTS FOR THE YEAR ENDED 31st MARCH 2019.**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to standalone financial statements of Nagpur Power and Industries Limited ("the Company") as of 31 March 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial control system with reference to financial statements of the Company.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial

statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at 31 March 2019, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

8. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured.

- Sales are recognized on transfer of significant risks and rewards of ownership of the goods to the buyer as per the terms of contract and no uncertainty exists regarding the amount of consideration that will be derived from sales of goods.

It also includes excise duty (as it is a liability of the manufacturer which forms part of the cost of production, irrespective of whether the goods are sold or not) and price variation based on the contractual agreement.

It measured at fair value of the consideration received net of sales tax/ value added tax and discounts.

- Dividend Income is recognized in the Statement of Profit and Loss only when the right to receive the income is established.
- Interest income is recognized using time proportion method based on the rates implicit in the transaction and the amount outstanding.

9. Property Plant and Equipment

Property, plant and equipment are stated at acquisition or construction cost less accumulated depreciation and impairment loss. Cost comprises the purchase price and any attributable cost of bringing the assets to its location and working condition for its intended use, including relevant borrowing costs and any expected costs of decommissioning.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

The cost of an item of PPE is recognized as an assets if, and only if, it is probable that the economic benefits associated with the item will flow the Company in future periods and the item can be measured reliably. However, cost of excludes indirect taxes to the extent credit of the duty or tax is availed as set off.

Items such as a spare parts, standby equipment and servicing equipment are recognized as PPE when it is held for use in production or supply of goods or services, or for administrative purpose, and are expected to be used for more than one year. Otherwise such items are classified as inventory.

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of assets. Any gain or loss arising on the disposal or retirement of an item of PPE, is determined as the difference between the sales proceeds and the carrying amount of the assets and is recognized in the Statement of Profit and Loss.

Capital Advance given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under Other Non-current Assets.

Expenditure incurred after the PPE have been put into operations, such as repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred.

10. Depreciation and Amortization

Depreciation is recognized on a straight-line basis, based on the useful life of the assets as prescribed under Schedule II of the Companies Act, 2013, except in respect of certain category of assets, where useful life is exceeding those prescribed in Schedule II based on the Chartered Engineer's Valuation Certificate namely:

Assets where useful life differs from Schedule II:

Description Range of Useful lives in years

Buildings	3 – 10 years
Plant & Equipment	7 - 10 years
Heavy Vehicle	2 years
Office Equipment's	3 - 4 years
Railway Siding	7 years

Depreciation on assets purchased / sold during the period is proportionately charged. The residual value for all the above assets are retained at 5% of the cost. Residual values and useful lives are reviewed and adjusted, if appropriate, for each reporting period.

11. Intangible Assets

Intangible assets are stated at cost of acquisition, less accumulated amortization/depletion and accumulated impairment losses, if any, are amortized over a period of 3 years.

Expenditure incurred on development is capitalized if such expenditure leads to creation of any intangible assets, otherwise, such expenditure is charged to the Statement of Profit and Loss.

12. Impairment of Assets

At end of each reporting period, the Company reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated to be less than its carrying amount, the carrying amount of the assets is reduced to its recoverable amount. An impairment loss is recognized in the Statement of Profit and Loss.

13. Inventories

Inventories of raw materials are stated at lower of cost or net realizable value. Work in process is stated at cost. Stores, spares & tools are stated at cost except the obsolete/non usable stores, which are written off for obsolescence. Finished goods and by-products/waste products where cost is ascertainable are stated at lower of cost or net realisable value and by-products / waste products where cost cannot be determined are stated at net realisable value. The reusable waste, which is not ascertainable, is not accounted.

14. Cash and Cash equivalents and Cash Flow Statement

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments maturing within three months from the date of acquisition and which are readily convertible into cash and which are subject to only an insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby Profit or Loss before tax is appropriately classified for the effects of transactions of non-cash nature and any deferrals or accruals of past or future receipts or payments. In the cash flow statement, cash and cash equivalents include cash in hand, cheques on hand, balances with banks in current accounts and other short- term highly liquid investments with original maturities of three months or less.

15. Segment reporting

The Company is principally engaged in extraction of 'High / Medium / Low Carbon Ferro Manganese and Silico Manganese Slag' which is the only Operating reportable segment as per IND AS 108.

16. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred under finance costs.

17. Foreign Exchange Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction.

At end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated at the exchange rates prevailing on that date. Non-monetary items that are measured in terms of historical cost in a foreign currency, are not retranslated.

Exchange difference on monetary items are recognised in the Statement of Profit and Loss in the period in which these arise.

18. Income Taxes

Tax expense recognized in the Statement of Profit and Loss comprises the sum of deferred tax and current tax not recognized in other comprehensive income or directly in equity.

Calculation of current tax is based on tax rates in accordance with tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred income taxes are calculated using the Balance Sheet approach on temporary differences between the carrying amounts of assets and liabilities in financial statements and the amount used for taxation purposes.

Deferred taxes pertaining to items recognized in other comprehensive income (OCI) are disclosed under OCI.

Deferred tax assets are recognized to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilized against future tax liability. This is assessed based on the Company's forecast of future earnings, excluding non-taxable income and expenses and specific limits on the use of any unused tax loss or credit.

Deferred tax liabilities are generally recognized in full, although Ind AS 12 'Income Taxes' specifies some exemptions.

Minimum Alternate Tax (MAT) Credit are in the form of unused tax credits that are carried forward by the Company for specified period of time, hence, it is presented as Deferred Tax Assets.

As a result of these exemptions the Company does not recognize deferred tax liability on temporary differences relating to goodwill, or to its investments in subsidiaries.

19. Employee Benefits

Short-term obligations:

Short term obligations are those that are expected to be settled fully within 12 months after the end of the reporting period. They are recognised up to the end of the reporting period at the amounts expected to be paid at the time of settlement.

Other Long-term obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after end of the period in which the employees render the related service.

Long-term compensated absences are provided for on the basis of an actuarial valuation at the end of each financial year. Actuarial gains / losses, if any, are recognised immediately in Statement of Profit and Loss.

Defined Contribution Plans:

Contribution payable to recognised provident funds, which are substantially defined contribution plans, is recognised as expense in the Statement of Profit and Loss, as they are incurred.

Defined Benefit Plan:

The obligation in respect of defined benefit plan, which covers Gratuity, is provided for on the basis of an actuarial valuation at the end of each financial year. Gratuity is funded with an approved trust.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur.

Re-measurement recognised in other comprehensive income is reflected immediately in OCI Reserve and will not be reclassified to Statement of Profit and Loss.

Bonus Payable:

The Company recognised a liability and an expense for bonus. The Company recognised a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

20. Lease:

Finance Lease

As a Lessee:

Leases, where substantially all the risks and benefits incidental to ownership of the leased item are transferred to the Lessee, are classified as finance lease. The assets acquired under finance lease are capitalised at lower of fair value and present value of the minimum lease payments at the inception of the lease and disclosed as leased assets. Such assets are amortised over the period of lease or estimated life of such asset, whichever is lower. Lease payments are apportioned between the finance charges and reduction of the lease liability based on implicit rate of return. Lease management fees, lease charges and other initial direct costs are capitalised.

Operating Lease**As a Lessee:**

Leases, where significant portion of the risks and rewards of ownership are retained by the lessor, are classified as operating leases and lease rentals thereon are charged to the Statement of Profit and Loss on a straight-line basis over the lease term.

As a Lessor:

Where the Company has substantially retained all the risks and rewards of ownership, are classified as operating leases. Lease income is recognised in the Statement of Profit and Loss on a straight-line basis over lease term.

21. Trade receivable

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. If the receivable is expected to be collected within a period of 12 months or less from the reporting date (or in the normal operating cycle of the business, if longer), they are classified as current assets otherwise as non-current assets.

Trade receivables are measured at their transaction price unless it contains a significant financing component or pricing adjustments embedded in the contract.

22. Provisions and contingent liabilities**Provisions:**

A Provision is recorded when the Company has a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Contingent liabilities:

Whenever there is possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability are considered as contingent liability. Show cause notices are not considered as Contingent Liabilities unless converted into demand.

Contingent Assets:

Contingent assets are not recognised in the financial statements since this may result in recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related assets is not a contingent assets and is recognised.

23. Investment in Subsidiaries

The investments in subsidiaries are carried in these financial statements at historical cost except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for as Non-current assets held for sale and discontinued operations.

When the Company is committed to a sale plan involving disposal of an investment, or a portion of an investment, in a subsidiary, the investment or the portion of the investment that will be disposed of is classified as held for sale when the criteria described above are met.

Any retained portion of an investment in a Subsidiary that has not been classified as held for sale continues to be accounted for at historical cost.

24. Financial Instruments**Initial Recognition and Measurement:**

Financial assets (other than trade receivables) and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction

costs, except for those carried at fair value through Statement of Profit and Loss which are measured initially at fair value. Trade receivables are recognised at their transaction value as the same do not contain significant financing component. Trade payable is in respect of the amount due on account of goods purchased in the normal course of business. They are recognised at their transaction and services availed value as the same do not contain significant financing component.

Classification and Subsequent Measurement:**Financial Assets:**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) on the basis of both

- (a) Business model for managing the financial assets, and
- (b) The contractual cash flow characteristics of the financial asset

A Financial Asset is measured at amortised cost if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset is measured at fair value through Other Comprehensive Income (FVTOCI) if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and
- (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A Financial Asset shall be classified and measured at fair value through profit or loss (FVTPL) unless it is measured at amortised cost or at fair value through OCI (FVTOCI). All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Equity Investments:

Equity investments in Subsidiaries and Associates are out of scope of Ind AS 109 and hence, the Company has accounted for its investment in Subsidiaries at cost. All other equity investments are measured at fair value.

Equity instruments, which are held for trading are classified as at FVTPL. For equity instruments other than held for trading, the company has exercised irrevocable option to recognise in other comprehensive income subsequent changes in the fair value.

Derecognition of financial assets:

The Company derecognize a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises an associated liability.

On derecognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in the Statement of profit and loss.

Financial Liabilities and Equity Instruments**Classification as Debt or Equity:**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial liabilities:

Financial liabilities are classified, at initial recognition:

- at fair value through Profit or Loss,
- Loans and borrowings, Payables, or
- as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, they are recognised net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings, including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent Measurement:

The measurement of financial liabilities depends on their classification, as described below:

Financial Liabilities at FVTPL:

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognition at FVTPL are designated as such at the initial date of recognition, and only if the criteria in IND AS 109 are satisfied.

Loans and Borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Derecognition of Financial Liabilities:

The Company de-recognises financial liabilities when and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability de-recognised and the consideration paid and payable is recognised in the statement of profit and loss.

25. Earnings per share

Basic earnings per share are calculated by dividing the Net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the Net Profit or Loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are considered for the effects of all dilutive potential equity shares.

Provision for employee benefits

(i) Gratuity

The Company contributes to defined benefit schemes for Gratuity which is administrated through duly constituted and approved independent trust. The liability for Gratuity and Leave encashment is determined on the basis of actuarial valuation made at the year end.

The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit (PUC) Method as prescribed by the Ind AS-19 - 'Employee Benefits', which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up final obligation.

(ii) Compensated Absences/Leave Encashment:

The Company also extends defined plans in the form of Compensated absences/leave encashment to employees. Provisions for compensated absences is made on actuarial valuation basis.

The company is exposed to various risks as regards its obligation towards gratuity benefit and leave salary which are as follows: (i) Interest Rate Risk, (ii) Liquidity Risk, (iii) Salary Escalation Risk, (iv) Regulatory Risk, (v) Market Risk and (vi) Investment Risk

Financial Instruments : Fair values Measurement

(A) Accounting Classification and Fair Value Hierarchy

Carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy, are presented below. It does not include the fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

"The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments:

Level 1: Inputs are quoted prices in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2: Inputs other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3: If one or more significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity instruments and certain debt instruments which are valued using assumptions from market participants.

Set out below, is a comparison by category of the carrying amounts and fair value of the Company's financial instruments.

Financial Instruments : Financial Risk Management

The Company's activities exposes it to various risk such as market risk, liquidity risk and credit risks. This section explains the risks which the Company is exposed to and how it manages the risks.

The Board of Directors ('Board') oversee the management of these risks through its audit Committee. The Company's Risk Management Policy has been formulated by the audit Committee and approved by the Board. The Policy articulates on the Company's approach to address uncertainties in its endeavor to achieve its stated and implicit objectives. It also prescribes the roles and responsibilities of the Company's management, the structure for managing risks and the framework for risk management. The framework seeks to identify, assess and mitigate risks in order to minimize potential adverse effects on the Company's financial performance.

The Board of Directors reviews and agrees on policies for managing each of these risks, which are summarized below. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Trade receivables, Other Cash and cash equivalents, Bank balances other than cash and cash equivalents, Security deposits, Loans and other financial assets	Credit ratings and Ageing analysis	Diversification of counterparties, investment limits, check on counterparties basis credit rating and number of overdue days
Liquidity Risk	Borrowings, Trade payables, Deposits from dealers and other financial liabilities	Maturity analysis	Preparing and monitoring forecasts of cash flows and maintaining sufficient cash and cash equivalents
Market Risk- Foreign Exchange	Financial assets and liabilities denominated in other than functional currency	Sensitivity analysis	Exposure limits
Market Risk- Price risk	Investment in equity instruments	Sensitivity analysis	Strategic investment
Market Risk- Interest rate risk	Security deposits	Sensitivity analysis	Periodical reset of interest rate linked to market

1 Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivable from customers and loans and advances. The carrying amount of following financial assets represents the maximum credit exposure:

(i) Trade receivables

Exposure to credit risk is influenced mainly by the individual characteristics of each customer in which it operates. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Notes to Financial Statements for the year ended 31st March, 2019

However Company is providing credit period of 15 days only to some specific customers and in other case, Company has collecting advance against sales. Therefore on reporting date all debtors were realized. Accordingly, requirement of provision is not arrived.

(ii) Financial assets other than trade receivables

Credit risk from balances with banks and financial institutions is managed by the CFO in accordance with it's policy. Surplus funds are parked only within approved investment categories . Investment category is periodically reviewed by the Company's Board of Directors.

The Company held cash and cash equivalents of Rs.3.45 Lakhs as on 31st March, 2019 (Previous year Rs. 3.71 Lakhs). The cash and cash equivalent's are held with bank counterparties with good credit ratings.

2 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damages to the Company's reputation.

Maturity profile of financial liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

Company's surplus funds are more than to total borrowings outstanding as on 31st March, 2019. Hence, the liquidity risk is very low.

3 Market risk

Market risk is the risk that changes in market prices - such as foreign exchange rates, interest rates and equity prices - will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. Management exposed to market risk primarily related to the market value of investments and interest rate risk. Thus, our exposure to market risk is function of investing and borrowing activities only.

4 Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in interest rates.

Exposure to interest rate risk

INDEPENDENT AUDITORS' REPORT

To the Members of

Nagpur Power and Industries Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Nagpur Power and Industries Limited** (hereinafter referred to as "the Holding Company") and its subsidiary 'The Motwane Manufacturing Company Private Limited (Holding Company and its subsidiary together referred to as "the Group")', which comprise the consolidated balance sheet as at 31 March 2019, and the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2019, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI'), and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr.no	Key Audit Matters	Our Response
1.	Defined benefit obligation The valuation of the retirement benefit scheme in the company is determined with reference to various actuarial assumptions including discount rate, future salary increases, rate of inflation mortality rates and attrition rates. Due to the size of these assumptions can have a material impact on the defined benefit	We have examined the key controls over the process involving member data, formulation of assumptions and the financial reporting process in arriving at the provision for retirement benefits. We tested the controls for determining the actuarial assumptions and the approval of those assumptions by senior management. We found these controls were designed, implemented and operated effectively, and therefore determined that we could place reliance on these key controls for the purpose of our audit. We tested the employee data used in calculating the obligation and where material,

		<p>we also considered the treatment of curtailments, settlement, past service costs, remeasurements, benefits paid, and other amendments made to obligations during the year. From the evidence obtained, we found the data and assumptions used by the management in the actuarial valuations for retirement benefit obligations to be appropriate.</p>

Other Information

The Holding Company’s management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company’s Annual Report, but does not include the financial statements and our auditors’ report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company’s management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each entity and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group is responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the entity has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group (Holding company and subsidiaries) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements of the subsidiary company, namely, Motwane Manufacturing Company Private Limited whose financial statement reflects total assets of Rs. 3029.71 Lacs as at 31st March 2019, total revenue of Rs.4069.93 Lacs and net profit of Rs.77.26 Lacs for the year ended on that date, as considered in the consolidated Financial Statement. These Financial statement and other information have been audited by the other auditor whose report has been furnished to us by the management, and our opinion on the Consolidated financial statement, in so far as it relates in terms of sub-section (3) and (11) of section 143 of the Act, in so far as it relates to the aforesaid associate, is based solely on the report of the other auditor.

Report on Other Legal and Regulatory Requirements

- A. As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies incorporated in India and the operating effectiveness of such controls, refer to our separate report in Annexure A.
- B. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The consolidated financial statements disclose the impact of pending litigations as at 31 March 2019 on the consolidated financial position of the Group. Refer Note 41 to the consolidated financial statements.
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or Ind AS, for material foreseeable losses, if any, on long-term contracts including derivative contracts. Refer Notes 20 and 21 to the consolidated financial statements in respect of such items as it relates to the Group.
 - iii. There has been no delay in transferring amounts to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India during the year ended 31st March 2019.
 - iv. The company did not have any long term contracts including derivatives contract for which there were any material foreseeable losses.
- C. With respect to the matter to be included in the Auditors' report under Section 197(16) :

In our opinion and according to the information and explanation given to us, the remuneration paid during the current year by the Holding Company and its subsidiaries which are incorporated in India is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Holding Company and its subsidiaries which are incorporated in India, is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2019**Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of Nagpur Power And Industries Limited ("the Holding Company") as of 31 March 2019, we have audited the internal financial controls with reference to the financial statements of the Holding Company and its subsidiary, which are incorporated in India as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiary which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Holding company and its subsidiary, which are incorporated in India, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective entity's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiary which are incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial control system with reference to financial statements of the Holding Company and its subsidiary which are incorporated in India.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary which are incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2019, based on the internal control with reference to financial statements criteria established by the Holding Company and its subsidiaries which are incorporated in India, considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our aforesaid report under section 143(3)(i) of the act on the adequacy and operation effectiveness of the internal financial controls over financial reporting in so far as it related to a subsidiary company incorporated in India, based on the corresponding report of the auditor of such company.

11. Intangible Assets

Holding Company

Intangible assets are stated at cost of acquisition, less accumulated amortization/ depletion and accumulated impairment losses, if any, are amortized over a period of 3 years. Expenditure incurred on development is capitalized if such expenditure leads to creation of any intangible assets, otherwise, such expenditure is charged to the Statement of Profit and Loss. PPE procured for research and development activities are capitalized.

Subsidiary Company

- (i) Expenditure on computer software is amortized on WDV method considering the useful life of 10 years.
- (ii) Technical Know-How is amortized over period of five years from the year of commercial production.
- (iii) Research & Development Expenses are amortized over a period of five years.

12. Impairment of Assets

At end of each reporting period, the Company reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated to be less than its carrying amount, the carrying amount of the assets is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss.

13. Cash and Cash equivalents and Cash Flow Statement

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments maturing within three months from the date of acquisition and which are readily convertible into cash and which are subject to only an insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby Profit or Loss before tax is appropriately classified for the effects of transactions of non-cash nature and any deferrals or accruals of past or future receipts or payments. In the cash flow statement, cash and cash equivalents include cash in hand, cheques on hand, balances with banks in current accounts and other short- term highly liquid investments with original maturities of three months or less.

14. Segment reporting

Identification of segments

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Group's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available.

The CODM assesses the financial performance and position of the Group and makes strategic decisions. The Group's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets.

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Inter-segment transfers

Inter-segment revenue has been accounted for based on the transaction price agreed to between segments which is based on current market prices.

Unallocated items

Revenue, expenses, assets and liabilities which relate to the Group as a whole and not allocable to segments on reasonable basis have been included under 'unallocated revenue / expenses / assets / liabilities'.

Segment Policies

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the consolidated financial statements of the Group as a whole. Operating segment is reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker (CODM).

15. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred under finance costs.

16. Foreign Exchange Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction.

At end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated at the exchange rates prevailing on that date. Non-monetary items that are measured in terms of historical cost in a foreign currency, are not retranslated.

Exchange difference on monetary items are recognised in the Statement of Profit and Loss in the period in which these arise.

17. Income Taxes

Tax expense recognized in the Statement of Profit and Loss comprises the sum of deferred tax and current tax not recognized in other comprehensive income or directly in equity.

Calculation of current tax is based on tax rates in accordance with tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred income taxes are calculated using the Balance Sheet approach on temporary differences between the carrying amounts of assets and liabilities in financial statements and the amount used for taxation purposes.

Deferred taxes pertaining to items recognized in other comprehensive income (OCI) are disclosed under OCI.

Deferred tax assets are recognized to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilized against future tax liability. This is assessed based on the Company's forecast of future earnings, excluding non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Deferred tax

liabilities are generally recognized in full, although Ind AS 12 'Income Taxes' specifies some exemptions.

Minimum Alternate Tax (MAT) Credit are in the form of unused tax credits that are carried forward by the Company for specified period of time, hence, it is presented as Deferred Tax Assets.

As a result of these exemptions the Company does not recognize deferred tax liability on temporary differences relating to goodwill, or to its investments in associates.

18. Employee Benefits

Short-term obligations:

Short term obligations are those that are expected to be settled fully within 12 months after the end of the reporting period. They are recognised up to the end of the reporting period at the amounts expected to be paid at the time of settlement.

Other Long-term obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after end of the period in which the employees render the related service.

Long-term compensated absences are provided for on the basis of an actuarial valuation at the end of each financial year. Actuarial gains / losses, if any, are recognised immediately in Statement of Profit and Loss.

Defined Contribution Plans:

Contribution payable to recognised provident funds, which are substantially defined contribution plans, is recognised as expense in the Statement of Profit and Loss, as they are incurred.

Defined Benefit Plan:

The obligation in respect of defined benefit plan, which covers Gratuity, is provided for on the basis of an actuarial valuation at the end of each financial year. Gratuity is funded with an approved trust.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur.

Re-measurement recognised in other comprehensive income is reflected immediately in OCI Reserve and will not be reclassified to Statement of Profit and Loss.

Bonus Payable:

The Company recognised a liability and an expense for bonus. The Company recognised a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

19. Trade receivable

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. If the receivable is expected to be collected within a period of 12 months or less from the reporting date (or in the normal operating cycle of the business, if longer), they are classified as current assets otherwise as non-current assets.

Trade receivables are measured at their transaction price unless it contains a significant financing component or pricing adjustments embedded in the contract.

20. Financial Instruments

Initial Recognition and Measurement:

Financial assets (other than trade receivables) and financial liabilities are recognized when the Company becomes a

party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through Statement of Profit and Loss which are measured initially at fair value.

Trade receivables are recognised at their transaction value as the same do not contain significant financing component.

Trade payable is in respect of the amount due on account of goods purchased in the normal course of business are recognised at their transaction value as the same do not contain significant financing component.

Classification and Subsequent Measurement:**Financial Assets:**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) on the basis of both

- (a) Business model for managing the financial assets, and
- (b) The contractual cash flow characteristics of the financial asset

A Financial Asset is measured at amortised cost if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset is measured at fair value through Other Comprehensive Income (FVTOCI) if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and
- (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A Financial Asset shall be classified and measured at fair value through profit or loss (FVTPL) unless it is measured at amortised cost or at fair value through OCI. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Equity Investments:

Equity investments in Subsidiary are out of scope of Ind AS 109 and hence, the Company has accounted for its investment in Subsidiary at cost. All other equity investments are measured at fair value.

Equity instruments, which are held for trading are classified as at FVTPL. For equity instruments other than held for trading, the company has exercised irrevocable option to recognise in other comprehensive income subsequent changes in the fair value.

Derecognition of financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises an associated liability.

On derecognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in the Statement of profit and loss.

Financial Liabilities and Equity Instruments

Classification as Debt or Equity:

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial liabilities:

Financial liabilities are classified, at initial recognition:

- at fair value through Profit or Loss,
- loans and borrowings, payables, or
- as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, they are recognised net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings, including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent Measurement:

The measurement of financial liabilities depends on their classification, as described below:

Financial Liabilities at FVTPL:

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognition at FVTPL are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

Loans and Borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and loss.

Derecognition of Financial Liabilities:

The Company de-recognises financial liabilities when and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability de-recognised and the consideration paid and payable is recognised in the statement of profit and loss.

21. Research and Development Expenses (R&D)

Revenue Expenditure – Revenue expenditure incurred on R&D is capitalized and is amortized equally over a period of five years. The same is shown in Fixed Assets Schedule (PPE).

Capital Expenditure – Capital expenditure incurred on R&D is capitalized and depreciation on the same is provided for on WDV basis as per useful life mentioned in Schedule II of the Companies Act, 2013.

22. Provisions and contingent liabilities**Provisions:**

A Provision is recorded when the Company has a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Contingent liabilities:

Whenever there is possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability are considered as contingent liability.

Show cause notices are not considered as Contingent Liabilities unless converted into demand.

Contingent Assets:

Contingent assets are not recognised in the financial statements since this may result in recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related assets is not a contingent assets and is recognised.

23. Earnings per share

Basic earnings per share are calculated by dividing the Net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the Net Profit or Loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are considered for the effects of all dilutive potential equity shares.

Provision for employee benefits

(i) Gratuity

The Company contributes to defined benefit schemes for Gratuity which is administrated through duly constituted and approved independent trust. The liability for Gratuity and Leave encashment is determined on the basis of actuarial valuation made at the year end.

The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit (PUC) Method as prescribed by the Ind AS-19 - 'Employee Benefits', which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up final obligation.

(ii) Compensated Absences/Leave Encashment:

The Company also extends defined plans in the form of Compensated absences/leave encashment to employees. Provisions for compensated absences is made on actuarial valuation basis.

Notes to Consolidated Financial Statements for the year ended 31st March, 2019

- 5 The Principal business of the Company is manufacturing of High/Medium/Low Carbon Ferro Manganese and Silico Manganese Slag which is facing challenges. Company is considering various projects in the manufacturing sector, including therein power generation and distribution. In the mean time the Company has on temporary basis parked the surplus in Fixed Deposits, Open-ended Mutual Funds and other investments. Considering the long term business plans of the Company and the nature of the investments that the Company has made, the Company has been advised that the provisions of Non Banking Finance Company Regulation do not apply to it. Based on these, in the opinion of the Board, the Company is not a Non Banking Finance Company defined in Section 45 I(f) of the Reserve Bank of India Act, 1934 (2 of 1934). The auditor have relied upon this expert advice and the decision of the Board of Directors in this regard.
