MANAGEMENT DISCUSSION AND ANALYSIS

Management's discussion and analysis of the financial condition and results of operations include forward looking statements based on certain assumptions and expectations of future events. The Company cannot assure that these assumptions and expectations are accurate. Although the Management has considered future risks as part of the discussions, future uncertainties are not limited to Management perceptions.

1) Business Review, Industrial Review and Future Outlook

The Company mainly operated on Metal Recovery Plant and produces Low Ferro Manganese (Slag) through its slag recovery process. However, the management is of the view that the re-useable waste of fine particles remaining in the manganese slag which was dumped at various places at the factory site has depleted and there is no more slag available to extract.

The management of the Company has foreseen this & thus entered another segment of business couple of years earlier via a majority stake in "The Motwane Manufacturing Company Private Limited" (MMCPL), now a material subsidiary company and is looking to develop its business in electrical sector. MMCPL is also engaged in manufacturing access control equipments for which the progress has been satisfactory.

During the year, Telemetrics Equipments Private Limited (TEPL) got merged in MMCPL vide order of Regional Director, Western Region dated March 23, 2023 w.e.f. April 01, 2022. Telemetrics Equipments Private Limited (now known as Pune Division of MMCPL) is into manufacturing of underground cable fault equipments.

Further the Company has applied for the Non-Banking Financial Company (NBFC) license in March 2023.

2) Opportunities, Threats, Risks and Concerns:

Due to depletion of slag dumps, our company is not able to generate any revenue from this business. The Company is now operating through its material subsidiary "The Motwane Manufacturing Company Private Limited" ("MMCPL") and is looking to develop it.

MMCPL is actively engaged in manufacturing Electrical equipments for transformer testing, underground cable fault equipments, oil testing services, Access Control Equipments, Baggage Scanner. MMCPL's R&D department is actively engaged in developing new products such as VLF for cable testing, Transformer Test Batch, CT Analyzer, Motor State Batch. MMCPL is striving to adapt with rapid evolution of technology to help it with better decision making, higher efficiency, better capex and opex planning.

The Company has also applied for the NBFC license in March 2023 due it falling in a NBFC category as per the asset and income criteria, It awaits a response from the RBI as on the date of this report.

The Management of the Company meets frequently to take the stock of all the impending and immediate threats to the business and takes necessary steps for positioning of the Company to meet the same in time. Any major threats affecting the Company in general and business environment indirectly affecting the functioning of the Company are discussed with the Board from time to time.

3) Segment Wise/Product Wise Performance:

The Company mainly operated on Metal Recovery Plant and produces Low Ferro Manganese (Slag) through its slag recovery process. However, the re-useable waste of fine particles remaining in the manganese slag which was dumped at various places at the factory site has depleted and there is no more slag available to extract. This is the reason the company has recorded **NIL** revenue from operations in this year.

The material subsidiary i.e MMCPL is engaged in 2 segments i.e Electrical and Electro-Mechanical. MMCPL has recorded operational revenue of Rs. 4,383.35 Lakhs during the financial year under review.

4) Internal Control Systems and their adequacy:

The Company has adequate internal control systems in place with reference to the financial statements and the size of its business operations. The Audit Committee of the Board periodically reviews the internal control systems with the management, Internal Auditors and Statutory Auditors and the adequacy of internal audit function, significant internal audit findings and follow-ups thereon.

5) Financial Performance / Overview of Operations:

During the year under review, the revenue from operation of the Company was NIL as compared to Rs. 16.07 Lakhs in the previous year.

- Subsidiary Company and Consolidated Statements**

Your Company has one material subsidiary i.e 'The Motwane Manufacturing Company Private Limited' (MMCPL). During the financial year 2022-23, total revenue of MMCPL (including TEPL Pune Division) was Rs. 4,411.71 Lakhs as compared to Rs. 3,330.61 Lakhs in the previous financial year. The Company made a loss of Rs. 228.83 Lakhs as compared to loss of Rs. 346.45 Lakhs in the previous financial year.

The Consolidated Financial Statement of your Company for the financial year 2022-23, are prepared in compliance with applicable provisions of the Companies Act, 2013, Accounting Standard and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Consolidated Financial Statements have been prepared on the basis of audited financial statements of the Company, its subsidiary, as approved by their respective Board of Directors.

Pursuant to sub-section (3) of section 129 of the Act, the statement containing the salient features of the financial statement of Company's subsidiary is given as AOC-1. Brief particulars about the business of the Subsidiary are given hereunder.

MMCPL is an R & D based company and has developed various high technology test and measurement products which have applicability in the domestic and international markets. The company's products are sold primarily to the power sector and energy intensive industries. The company expects gradual pick up in its order book due to growth and reform in the distribution sector in which the company operates. Alternatively, it is exploring its potential in the IOT space in adjacent areas like smart lighting and other IOT related smart & connected industrial solutions. The Telemetrics Pune division of MMCPL is involved in manufacturing of underground cable fault equipments.

6) Material Developments In Human Resources / Industrial Relations, Including Number Of People Employed:

The human resource plays a vital role in the growth and success of an organization. The Company has maintained cordial and harmonious relations with employees.

During the year under review, various training and development workshops were conducted to improve the competency level of employee with an objective to improve the operational performance of individuals. The Company has built a competent team to handle challenging assignments and projects.

The Company has 09 permanent employees as on March 31, 2023.

Directors and Officers Insurance ('D&O')

As the Company is not covered under top one thousand (1000) listed entities by Market capitalization, Regulation 25(10) of the Listing Regulations is not applicable to the Company. However our Company has Directors and Officer Insurance Policy ('D&O Policy') as a good corporate governance measure.

E. Independent Directors

Independent Directors play a significant role in the governance process of the Board. By virtue of their varied expertise and experience, they enrich the Board's decision making and prevent possible conflicts of interest that may emerge in such decision-making.

The appointment of Independent Directors is carried out in a structured manner in accordance with the provisions of the Act and the Listing Regulations. The Nomination & Remuneration Committee identifies candidates based on laid down criteria and takes into consideration the balance of skills, knowledge and experience in addition to the need for diversity of the Board and accordingly makes its recommendations to the Board.

During the financial year 2022-23, the Board of Directors, upon recommendation of the Nomination and Remuneration Committee re-appointed Mr. Virat Mehta (DIN: 07910116) as the Independent Director on Board of the Company. His re-appointment was approved by the members at 26th Annual General Meeting (AGM) of the Members of the Company held on September 23, 2022 for a second term of 5 consecutive years commencing from September 28, 2022 to September 27, 2027.

Basis the declarations received from the Independent Directors, the Board of Directors has confirmed that the Independent Directors of the Company meet the criteria of independence as mentioned under Regulation 16(1) (b) of the Listing Regulations read conjointly with Section 149(6) of the Act and that, they are independent of the management.

As required under Regulation 46(2)(b) of Listing Regulations, the Company has issued formal letters of appointment to the Independent Directors. The terms and conditions of their appointment are also posted on the Company's website and can be accessed at <https://www.nagpurpowerind.com/investors/corporate-governance/>.

In terms of Regulation 25(8) of Listing Regulations, the Independent Directors have confirmed that they are not aware of any circumstances or situation that exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties.

Pursuant to the requirement of Regulation 24(1) of the Listing Regulations, the Company has appointed one of its Independent Directors on the Board of its unlisted material subsidiary company – The Motwane Manufacturing Company Private Limited ("MMCPL").

Meeting of Independent Directors

During the year under review, the independent directors met on February 13, 2023, *inter alia*, to discuss, review and assess:

- the performance of non-independent directors and the board of directors as a whole;

- the performance of the Chairperson of the Company, taking into account the views of the Executive and Non-Executive Directors;
- the quality, content and timelines of flow of information between the Management and the Board that is necessary for the Board to effectively and reasonably perform its duties; and
- other related matters.

All the Independent Directors were present at the above meeting.

Familiarization Program for Independent Directors

The Company conducts familiarization programs for Independent Directors to enable them to understand their roles, rights and responsibilities. The Independent Directors when they are appointed are given a detailed orientation on the Company, industry, strategy, policies and Code of Conduct, regulatory matters, business, financial matters, human resource matters. Operational updates are provided for them to have a good understanding of Company's operations, businesses and the industry as a whole. They are periodically updated on material changes in regulatory framework and its impact on the Company. The Company's Policy of conducting familiarisation program has been disclosed at the website of the Company at <https://www.nagpurpowerind.com/investors/corporate-governance/> .

Performance Evaluation of the Board and Individual Directors

Pursuant to the provisions of the Act and the Listing Regulations, the Board has carried out the annual evaluation of its own performance, as well as the working of its individual Committees. A structured questionnaire was prepared after taking into consideration, inputs received from the directors, which covered aspects of the Board's functioning such as adequacy of the composition of the Board and its committees, Board culture, execution and performance of specific duties, obligations and governance.

A separate exercise was carried out to evaluate the performance of individual directors to obtain an overview of the functioning of the Board/ Committees, *inter alia*, on the broad criteria i.e. attendance and level of participation at meetings of the Board/ Committees, independence of judgement exercised by Independent Directors, interpersonal relationship and so on.

The Independent Directors have expressed their satisfaction at the robustness of the evaluation process, the Board's freedom to express its views on matters transacted at the meetings and the openness and transparency with which the Management discusses various subject matters specified on the agenda of meetings.

F. Board Skills, Capabilities and Experiences

Further pursuant to Schedule V, Part C of SEBI Listing Regulations 2015 read with Amendments thereof, below are the list of core skills/expertise/competencies identified by the Board of Directors for the year under review as required in the context of its business(es) and sector(s) for it to function effectively and those actually available with the board:

2. COMMITTEES OF THE BOARD

The Company has over the years maintained the highest standards of corporate governance processes and has had the foresight to set up corporate governance practices in line with the requirements of Listing Regulations.

The constitution, terms of reference and the functioning of the existing Committees of the Board is explained hereunder. Each Committee demonstrates the highest level of governance standards and has the requisite expertise to handle issues relevant to its field. These Committees spend considerable time and provide focused attention to various issues placed before them and the guidance provided by these Committees lend immense value and support, thus enhancing the quality of the decision-making process of the Board. The Board reviews the functioning of these Committees from time to time. The meetings of each of these Committees are convened by the respective Chairpersons and the minutes of these meetings are placed before the Board for information. The minutes of the Committee meetings are sent to respective members for their approvals/ comments as prescribed in Secretarial Standard-1 and after the minutes are duly approved, these are circulated to the Board of Directors and presented at the Board meetings.

A. Audit Committee

The Audit Committee acts as an interface between the Statutory and Internal Auditors, the Management and the Board of Directors. It assists the Board in fulfilling its responsibilities of monitoring financial reporting processes, reviewing the Company's established systems and processes for internal financial controls and governance and reviews the Company's statutory and internal audit processes. The Committee is governed by its scope set out for it at time of its constitution, which is in line with the regulatory requirements mandated by the Act and the Listing Regulations.

Independent Auditors' Report

To the Members of

Nagpur Power & Industries Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Nagpur Power & Industries Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2023, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, and loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no key audit matters identified in our audit.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, Profit/(loss) (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (IndAS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying

transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) planning the scope of our audit work and in evaluating the results of our work and
- (ii) to evaluate the effect of any identified misstatement in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the year ended 31st March 2023 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- (ii) The management has represented that, to the best of its knowledge and belief, no fund have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall:
- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries; and
- (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (d)(i) and (d)(ii) contain any material mis-statement.
- (e) The company has not declared any dividend during the year; and
- (f) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording trail (edit log) facility is applicable to the Company with effect from 1st April, 2023 and accordingly reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended 31st March, 2023.
- (C) With respect to the matter to be included in the Auditors’ Report under section 197(16) of the Act: In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

Annexure A to the Independent Auditors' Report

With reference to the Annexure A referred to in the Independent Auditors Report to the members of the Company on the standalone financial statements for the year ended 31st March 2023, we report the following:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, plant and equipment.
(B) The Company has maintained proper records showing full particulars of Intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, plant and equipment by which all Property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain Property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regards to the size of the company and nature of its assets. **Annexure B to the Independent Auditors' Report on the accounts for the year ended
31st March 2023.**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of Nagpur Power and Industries Limited ("the Company") as of 31st March 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at 31st March 2023, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Because of the matter described in Disclaimer of opinion paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls system over financial reporting of the company.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that

could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes On Standalone Financial Statements For The Year Ended 31st March, 2023**Note – 1****Significant Accounting Policies****1. Corporate Information**

Nagpur Power And Industries Limited ('NPIL' or 'The Company') is a limited Company incorporated and domiciled in India. The Company is a public limited company and its equity shares are listed with Bombay Stock Exchange ("BSE") in India. The registered office of the Company is situated at 20th Floor, Nirmal Building, Nariman Point, Mumbai– 400021.

2. Statement of Compliance

These standalone financial statements are prepared and presented in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standard) Rules, 2015 as amended by the Companies (Indian Accounting Standard) Rules, 2017 notified under section 133 of the Companies Act, 2013, the relevant provisions of the Companies Act, 2013 and the guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable.

3. Basis of Preparation

The standalone financial statements of the Company have been prepared and presented on the going concern basis and at historical cost except for the following assets and liabilities which have been measure at fair value.

- Certain financial assets and liabilities at fair value (refer accounting policy regarding financial instruments)
- Employee's Defined Benefit Plan as per actuarial valuation

4. Functional and Presentation Currency

The standalone financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

5. Use of Estimates

The preparation of standalone financial statements in conformity with the Indian Accounting Standards requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosures of contingent liabilities on the date of the standalone financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

6. Classification of Assets and Liabilities as Current and Non-Current

All assets and liabilities are classified as current and non-current as per the Company's normal operating cycle, and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time lag between the acquisition of assets for processing and their realization in cash and cash equivalents, 12 months period has been considered by the Company as its normal operating cycle.

7. Overall Consideration

The standalone financial statements have been prepared applying the significant accounting policies and measurement bases summarized below.

8. Revenue Recognition**Sale of goods**

The Company recognizes revenue from sale of goods measured at the fair value of the consideration received or receivable, upon satisfaction of performance obligation which is at a point in time when control of the goods is transferred to the customer, generally on delivery of the goods. Depending on the terms of the contract, which differs from contract to contract, the goods are sold on a reasonable credit term.

Sale of services

Sale of services are recognized on satisfaction of performance obligation towards rendering of such services.

Dividend and interest income

Dividend from investments are recognized in profit or loss when the right to receive payment is established.

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

9. Property Plant and Equipment

Property, plant and equipment are stated at acquisition or construction cost less accumulated depreciation and impairment loss. Cost comprises the purchase price and any attributable cost of bringing the assets to its location and working condition for its intended use, including relevant borrowing costs and any expected costs of decommissioning.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

The cost of an item of PPE is recognized as an assets if, and only if, it is probable that the economic benefits associated with the item will flow the Company in future periods and the item can be measured reliably. However, cost of excludes indirect taxes to the extent credit of the duty or tax is availed as set off.

Items such as a spare parts, standby equipment and servicing equipment are recognized as PPE when it is held for use in production or supply of goods or services, or for administrative purpose, and are expected to be used for more than one year. Otherwise such items are classified as inventory.

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of assets. Any gain or loss arising on the disposal or retirement of an item of PPE, is determined as the difference between the sales proceeds and the carrying amount of the assets and is recognized in the Statement of Profit and Loss.

Capital Advance given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under Other Non-current Assets.

Expenditure incurred after the PPE have been put into operations, such as repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred.

10. Depreciation and Amortization

Depreciation is recognized on a straight-line basis, based on the useful life of the assets as prescribed under Schedule II of the Companies Act, 2013, except in respect of certain category of assets, where useful life is exceeding those prescribed in Schedule II based on the Chartered Engineer's Valuation Certificate namely:

Assets where useful life differs from Schedule II:

Description	Range of Useful lives in years
Buildings	3 – 10 years
Plant & Equipment	7 - 10 years
Heavy Vehicle	2 years
Office Equipment's	3 - 4 years
Railway Siding	7 years

Depreciation on assets purchased / sold during the period is proportionately charged. The residual value for all the above assets are retained at 5% of the cost. Residual values and useful lives are reviewed and adjusted, if appropriate, for each reporting period.

11. Intangible Assets

Intangible assets are stated at cost of acquisition, less accumulated amortization/depletion and accumulated impairment losses, if any, are amortized over a period of 3 years.

Expenditure incurred on development is capitalized if such expenditure leads to creation of any intangible assets, otherwise, such expenditure is charged to the Statement of Profit and Loss.

12. Impairment of Assets

At end of each reporting period, the Company reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated to be less than its carrying amount, the carrying amount of the assets is reduced to its recoverable amount. An impairment loss is recognized in the Statement of Profit and Loss.

13. Inventories

Inventories of raw materials are stated at lower of cost or net realizable value. Work in process is stated at cost. Stores, spares & tools are stated at cost except the obsolete/non usable stores, which are written off for obsolescence. Finished goods and by-products/waste products where cost is ascertainable are stated at lower of cost or net realisable value and by-products / waste products where cost cannot be determined are stated at net realisable value. The reusable waste, which is not ascertainable, is not accounted.

14. Cash and Cash equivalents and Cash Flow Statement

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments maturing within three months from the date of acquisition and which are readily convertible into cash and which are subject to only an insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby Profit or Loss before tax is appropriately classified for the effects of transactions of non-cash nature and any deferrals or accruals of past or future receipts or payments. In the cash flow statement, cash and cash equivalents include cash in hand, cheques on hand, balances with banks in current accounts and other short- term highly liquid investments with original maturities of three months or less.

15. Segment reporting

The Company is principally engaged in extraction of 'High / Medium / Low Carbon Ferro Manganese and Silico Manganese Slag' which is the only Operating reportable segment as per IND AS 108.

16. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred under finance costs.

17. Foreign Exchange Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction.

At end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated at the exchange rates prevailing on that date. Non-monetary items that are measured in terms of historical cost in a foreign currency, are not retranslated.

Exchange difference on monetary items are recognised in the Statement of Profit and Loss in the period in which these arise.

18. Income Taxes

Tax expense recognized in the Statement of Profit and Loss comprises the sum of deferred tax and current tax not recognized in other comprehensive income or directly in equity.

Calculation of current tax is based on tax rates in accordance with tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred income taxes are calculated using the Balance Sheet approach on temporary differences between the carrying amounts of assets and liabilities in standalone financial statements and the amount used for taxation purposes.

Deferred taxes pertaining to items recognized in other comprehensive income (OCI) are disclosed under OCI.

Deferred tax assets are recognized to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilized against future tax liability. This is assessed based on the Company's forecast of future earnings, excluding non-taxable income and expenses and specific limits on the use of any unused tax loss or credit.

Deferred tax liabilities are generally recognized in full, although Ind AS 12 'Income Taxes' specifies some exemptions.

Minimum Alternate Tax (MAT) Credit are in the form of unused tax credits that are carried forward by the Company for specified period of time, hence, it is presented as Deferred Tax Assets.

As a result of these exemptions the Company does not recognize deferred tax liability on temporary differences relating to goodwill, or to its investments in subsidiaries.

19. Employee Benefits

Short-term obligations:

Short term obligations are those that are expected to be settled fully within 12 months after the end of the reporting period. They are recognised up to the end of the reporting period at the amounts expected to be paid at the time of settlement.

Other Long-term obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after end of the period in which the employees render the related service.

Long-term compensated absences are provided for on the basis of an actuarial valuation at the end of each financial year. Actuarial gains / losses, if any, are recognised immediately in Statement of Profit and Loss.

Defined Contribution Plans:

Contribution payable to recognised provident funds, which are substantially defined contribution plans, is recognised as expense in the Statement of Profit and Loss, as they are incurred.

Defined Benefit Plan:

The obligation in respect of defined benefit plan, which covers Gratuity, is provided for on the basis of an actuarial valuation at the end of each financial year. Gratuity is funded with an approved trust.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur.

Re-measurement recognised in other comprehensive income is reflected immediately in OCI Reserve and will not be reclassified to Statement of Profit and Loss.

Bonus Payable:

The Company recognised a liability and an expense for bonus. The Company recognised a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

20. Lease:

The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in

exchange for a consideration. This policy has been applied to contracts existing and entered into on or after April 1, 2019 as per Ind As 116.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense over the lease term.

In the comparative period, leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments and receipts under operating leases are recognised as an expense and income respectively, on a straight-line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

21. Trade receivable

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. If the receivable is expected to be collected within a period of 12 months or less from the reporting date (or in the normal operating cycle of the business, if longer), they are classified as current assets otherwise as non-current assets.

Trade receivables are measured at their transaction price unless it contains a significant financing component or pricing adjustments embedded in the contract.

22. Provisions and contingent liabilities

Provisions:

A Provision is recorded when the Company has a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Contingent liabilities:

Whenever there is possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability are considered as contingent liability. Show cause notices are not considered as Contingent Liabilities unless converted into demand.

Contingent Assets:

Contingent assets are not recognised in the standalone financial statements since this may result in recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related assets is not a contingent asset and is recognised.

23. Investment in Subsidiaries

The investments in subsidiaries are carried in these standalone financial statements at historical cost except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for as non-current assets held for sale and discontinued operations.

When the Company is committed to a sale plan involving disposal of an investment, or a portion of an investment, in a subsidiary, the investment or the portion of the investment that will be disposed of is classified as held for sale when the criteria described above are met.

Any retained portion of an investment in a Subsidiary that has not been classified as held for sale continues to be accounted for at historical cost.

24. Financial Instruments

Initial Recognition and Measurement:

Financial assets (other than trade receivables) and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through Statement of Profit and Loss which are measured initially at fair value.

Trade receivables are recognised at their transaction value as the same do not contain significant financing component.

Trade payable is in respect of the amount due on account of goods purchased in the normal course of business. They are recognised at their transaction and services availed value as the same do not contain significant financing component.

Classification and Subsequent Measurement:

Financial Assets:

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) on the basis of both

- (a) Business model for managing the financial assets, and
- (b) The contractual cash flow characteristics of the financial asset

A Financial Asset is measured at amortised cost if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset is measured at fair value through Other Comprehensive Income (FVTOCI) if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and
- (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A Financial Asset shall be classified and measured at fair value through profit or loss (FVTPL) unless it is measured at amortised cost or at fair value through OCI (FVTOCI). All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Equity Investments:

Equity investments in Subsidiaries and Associates are out of scope of Ind AS 109 and hence, the Company has accounted for its investment in Subsidiaries at cost. All other equity investments are measured at fair value.

Equity instruments, which are held for trading are classified as at FVTPL. For equity instruments other than held for trading, the company has exercised irrevocable option to recognise in other comprehensive income subsequent changes in the fair value.

Derecognition of financial assets:

The Company derecognize a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises an associated liability.

On derecognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in the Statement of profit and loss.

Financial Liabilities and Equity Instruments**Classification as Debt or Equity:**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial liabilities:

Financial liabilities are classified, at initial recognition:

- at fair value through Profit or Loss,
- Loans and borrowings, Payables, or
- as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, they are recognised net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings, including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent Measurement:

The measurement of financial liabilities depends on their classification, as described below:

Financial Liabilities at FVTPL:

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognition at FVTPL are designated as such at the initial date of recognition, and only if the criteria in IND AS 109 are satisfied.

Loans and Borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Derecognition of Financial Liabilities:

The Company de-recognises financial liabilities when and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability de-recognised

and the consideration paid and payable is recognised in the statement of profit and loss.

25. Earnings per share

Basic earnings per share are calculated by dividing the Net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the Net Profit or Loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are considered for the effects of all dilutive potential equity shares.

Note:

Company's Ferro Alloys unit generated waste during the process of manufacture, which accumulated over the years in and around the main plant. The waste contains slag resources which may be reusable for extracting metal content therein and Company has set up a Metal Recovery Plant for that purpose. The technical consultants have advised the Company that the balance of this accumulated waste in terms of its quality, metal content and realizable value cannot be yet reasonably ascertained. Company therefore not been in a position to account for stock of such balance accumulated waste.

However during the year, company has succeeded to extract some saleable slag resource quantity and which has been sold to the various parties. However at balance sheet date there were no stock lying with the Company.

Financial Instruments: Fair values Measurement

(A) Accounting Classification and Fair Value Hierarchy

Carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy, are presented below. It does not include the fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments:

Level 1: Inputs are quoted prices in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2: Inputs other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3: If one or more significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity instruments and certain debt instruments which are valued using assumptions from market participants.

Set out below, is a comparison by category of the carrying amounts and fair value of the Company's financial instruments.

- i Listed Equity Investments (other than Subsidiaries, Joint Ventures and Associates): Quoted Bid Price on Stock Exchange (Level 1)
- ii Mutual Funds: Based on Net Asset Value of the Scheme (Level 2)
- iii The management assessed that fair value of cash and bank balances, trade receivables, loans, trade payables, borrowings, other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- iv During the reporting period ending 31st March, 2023 and 31st March, 2022, there was no transfer between Level 1 and Level 2 fair value measurement.

Note -35**Financial Instruments: Financial Risk Management**

The Company's activities exposes it to various risk such as market risk, liquidity risk and credit risks. This section explains the risks which the Company is exposed to and how it manages the risks.

The Board of Directors ('Board') oversee the management of these risks through its Risk Management Committee. The Company's Risk Management Policy has been formulated by the Risk Management Committee and approved by the Board. The Policy articulates on the Company's approach to address uncertainties in its endeavor to achieve its stated and implicit objectives. It also prescribes the roles and responsibilities of the Company's management, the structure for managing risks and the framework for risk management. The framework seeks to identify, assess and mitigate risks in order to minimize potential adverse effects on the Company's financial performance.

The Board of Directors reviews and agrees on policies for managing each of these risks, which are summarized below. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Trade receivables, Other Cash and cash equivalents, Bank balances other than cash and cash equivalents, Security deposits, Loans and other financial assets	Credit ratings and Ageing analysis	Diversification of counterparties, investment limits, check on counterparties basis credit rating and number of overdue days
Liquidity Risk	Borrowings, Trade payables, Deposits from dealers and other financial liabilities	Maturity analysis	Preparing and monitoring forecasts of cash flows and maintaining sufficient cash and cash equivalents
Market Risk- Foreign Exchange	Financial assets and liabilities denominated in other than functional currency	Sensitivity analysis	Exposure limits
Market Risk- Price risk	Investment in equity instruments	Sensitivity analysis	Strategic investment
Market Risk- Interest rate risk	Security deposits	Sensitivity analysis	Periodical reset of interest rate linked to market

1 Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivable from customers and loans and advances.

The carrying amount of following financial assets represents the maximum credit exposure:

(i) Trade receivables

Exposure to credit risk is influenced mainly by the individual characteristics of each customer in which it operates. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

However Company is providing credit period of 15 days only to some specific customers and in other case, Company has collecting advance against sales. Therefore on reporting date all debtors were realized. Accordingly, requirement of provision is not arisen.

(ii) Financial assets other than trade receivables

Credit risk from balances with banks and financial institutions is managed by the CFO in accordance with its policy. Surplus funds are parked only within approved investment categories. Investment category is periodically reviewed by the Company's Board of Directors.

The Company held cash and cash equivalents of ₹ 122.99 Thousand as on 31st March, 2023 (Previous year ' ₹ 366.49 Thousand). The cash and cash equivalent's are held with bank counterparties with good credit ratings.

Notes On Standalone Financial Statements For The Year Ended 31st March, 2023

2 Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damages to the Company's reputation.

Maturity profile of financial liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

Additional Information Details :

- 1 The declaration filed under the Urban Land (Ceiling and Regulation) Act, 1976 in respect of the Company's holding in excess of the ceiling prescribed under the said Act and the application for exemption filed under section 20 of the said act, to retain these lands are under consideration of the concerned authorities.
- 2 The Company has only one reportable segment of activity namely manufacture of "High/Medium / Low Carbon Ferro Manganese and Silico Manganese Slag".
- 3 Deferred tax assets for unused tax loss carry forward or unused tax credit if, and only if, it is considered probable that there will be sufficient future taxable profit against which the loss or credit carry forwards can be utilized. However In the opinion of the management, there is no probability of taxable profit in near foreseeable future. Therefore deferred tax asset has not been recognised.

Detail of deferred tax assets (DTA) is as follows:

- 4 The Company was engaged in the manufacturing of Ferro manganese (high carbon and medium carbon) and silico manganese through electro metallurgical process since inception. The Company discontinued this business in 2011 on account of a number of business challenges including high volatility, higher input costs, raw material shortages etc. The Company had also set up a solid waste recovery division to process the slag which was generated during the production of Ferro alloys. After the Ferro alloys business was discontinued, the company has continued to produce low Ferro manganese (slag) through its profitable slag recovery process. The Company has been actively exploring other business opportunities since it discontinued the Ferro alloys business.

The Company has exploring various possibilities for developing the land including the development of a large warehousing facility and other commercial real estate. The Company's efforts to date have not yielded a commercially viable proposition, although it is continuing to put in efforts in this regard. The Company has invested its surplus funds in bank deposits and financial securities, and the income from these investments exceeds the income that the company generates from its curtailed business operations.

During the previous financial years and as well as in current financial year company's financial assets and financial income constitute more than 50% of the total assets and income.

Thus, management sought clarification from RBI on meeting criteria applicability of section 45-IA of RBI Act, 1934 through letter dated 23rd February, 2022, which stated that company's principal business is not to undertake financial activities and expects its financial assets and financial income to be in excess of its business assets and income from operations.

In response to above RBI clarified in letter dated 15th March, 2022 that company is meeting the principal business criteria for NBFCs as specified in Bank's press release 99/1269 dated April 8, 1999 as on 31st March, 2021.

Considering above, Company is required to obtain NBFC registration under section 45-IA of RBI Act, 1934 and as per explanation given to us the company has initiated process of applying for registration of NBFC under section 45-IA of RBI Act, 1934.

Independent Auditors' Report

To the Members of

Nagpur Power and Industries Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Nagpur Power and Industries Limited** (hereinafter referred to as "the Holding Company") and its subsidiary 'The Motwane Manufacturing Company Private Limited (Holding Company and its subsidiary together referred to as "the Group")', which comprise the consolidated balance sheet as at 31st March 2023, and the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows for the year ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2023, of its consolidated loss and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI'), and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no key audit matters identified in our audit.

Other Information

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management Responsibility for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the

assets of each entity and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group is responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the entity has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group (Holding company and subsidiaries) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) planning the scope of our audit work and in evaluating the results of our work and
- (ii) to evaluate the effect of any identified misstatement in the Consolidated Financial Statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended 31st March, 2023 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements of the subsidiary company, namely, Motwane Manufacturing Company Private Limited whose financial statement reflects total assets of ₹322956.93/- (₹ in Thousand) as at 31st March 2023, total revenue of ₹438334.68/- (₹ in Thousand) and loss after tax of ₹22883.41/- (₹ in Thousand) for the year ended on that date, as considered in the consolidated Financial Statement. These Consolidated Financial statement and other information have been audited by the other auditor whose report has been furnished to us by the management, and our opinion on the Consolidated financial statement, in so far as it relates in terms of sub-section (3) and (11) of section 143 of the Act, in so far as it relates to the aforesaid associate, is based solely on the report of the other auditor.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure B to the Independent Auditor's Report on the accounts for the year ended 31st March 2023

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Nagpur Power And Industries Limited ("the Holding Company") as of 31st March 2023, we have audited the internal financial controls with reference to the financial statements of the Holding Company and its subsidiary, which are incorporated in India as of that date.

Opinion

In our opinion, the Holding Company and its subsidiaries which are incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March 2023, based on the internal control with reference to financial statements criteria established by the Holding Company and its subsidiaries which are incorporated in India, considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our aforesaid report under section 143(3)(i) of the act on the adequacy and operation effectiveness of the internal financial controls over financial reporting in so far as it related to a subsidiary company incorporated in India, based on the corresponding report of the auditor of such company.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiaries which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Holding company and its subsidiaries, which are incorporated in India, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective entity's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiaries which are incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial control system with reference to financial statements of the Holding Company and its subsidiaries which are incorporated in India.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financials Controls with reference to Financials Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements may become inadequate because of changes in the conditions or that the degree of compliance with the policies or procedures may deteriorate.

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

5. Use of Estimates

The preparation of financial statements in conformity with the Indian Accounting Standards requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosures of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

6. Classification of Assets and Liabilities as Current and Non-Current

All assets and liabilities are classified as current and non-current as per the Company's normal operating cycle, and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time lag between the acquisition of assets for processing and their realization in cash and cash equivalents, 12 months period has been considered by the Company as its normal operating cycle.

7. Overall Consideration

The financial statements have been prepared applying the significant accounting policies and measurement bases summarized below.

8. Revenue Recognition**Sale of goods**

The Company recognizes revenue from sale of goods measured at the fair value of the consideration received or receivable, upon satisfaction of performance obligation which is at a point in time when control of the goods is transferred to the customer, generally on delivery of the goods. Depending on the terms of the contract, which differs from contract to contract, the goods are sold on a reasonable credit term.

Sale of services

Sale of services are recognized on satisfaction of performance obligation towards rendering of such services.

Dividend and interest income

Dividend from investments are recognized in profit or loss when the right to receive payment is established. Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

9. Property Plant and Equipment

Property, plant and equipment are stated at acquisition or construction cost less accumulated depreciation and impairment loss. Cost comprises the purchase price and any attributable cost of bringing the assets to its location and working condition for its intended use, including relevant borrowing costs and any expected costs of decommissioning.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

The cost of an item of PPE is recognized as an assets if, and only if, it is probable that the economic benefits associated with the item will flow the Company in future periods and the item can be measured reliably. However, cost of excludes indirect taxes to the extent credit of the duty or tax is availed as set off.

Items such as a spare parts, standby equipment and servicing equipment are recognized as PPE when it is held for use in production or supply of goods or services, or for administrative purpose, and are expected to be used for more than one year. Otherwise such items are classified as inventory.

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of assets. Any gain or loss arising on the disposal or retirement of an item of PPE, is determined as the difference between the sales proceeds and the carrying amount of the assets and is recognized in the Statement of Profit and Loss.

Capital Advance given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under Other Non-current Assets.

Expenditure incurred after the PPE have been put into operations, such as repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred.

10. Depreciation and Amortization**Holding Company**

Depreciation is recognized on a straight-line basis, based on the useful life of the assets as prescribed under Schedule II of the Companies Act, 2013, except in respect of certain category of assets, where useful life is exceeding those prescribed in Schedule II based on the Chartered Engineer's Valuation Certificate namely: Assets where useful life differs from Schedule II:

Description	Range of Useful lives in years
Buildings	3 – 10 years
Plant & Equipment	7 - 10 years
Heavy Vehicle	2 years
Office Equipment's	3 - 4 years
Railway Siding	7 years

Depreciation on assets purchased / sold during the period is proportionately charged. The residual value for all the above assets are retained at 5% of the cost. Residual values and useful lives are reviewed and adjusted, if appropriate, for each reporting period.

Subsidiary Company

- (i) Depreciation on assets is provided at the on WDV Method - at rates and in the manner prescribed in Schedule II to the Companies Act, 2013 except in the case of major Plant & Machinery and Dies & Moulds. Based on the internal assessment / condition of the machinery and past experience, company has considered useful life of such plant & machinery as 20 years instead of 15 years and useful life of Dies & Moulds as 20 years instead of 8 years.
- (ii) Depreciation on additions to assets is provided on a pro-rata basis from the date of acquisition or installation.
- (iii) Depreciation on assets sold, discarded, demolished or scrapped is provided up to the date on which the said asset is sold, discarded, demolished or scrapped.

11. Intangible Assets**Holding Company**

Intangible assets are stated at cost of acquisition, less accumulated amortization/ depletion and accumulated impairment losses, if any, are amortized over a period of 3 years. Expenditure incurred on development is capitalized if such expenditure leads to creation of any intangible assets, otherwise, such expenditure is charged to the Statement of Profit and Loss. PPE procured for research and development activities are capitalized.

Subsidiary Company

- (i) Expenditure on computer software is amortized on WDV method considering the useful life of 10 years.
- (ii) Technical Know-How is amortized over period of five years from the year of commercial production.
- (iii) Research & Development Expenses are amortized over a period of five years.

12. Impairment of Assets

At end of each reporting period, the Company reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated to be less than its carrying amount, the carrying amount of the assets is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss.

13. Cash and Cash equivalents and Cash Flow Statement

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments maturing within three months from the date of acquisition and which are readily convertible into cash and which are subject to only an insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby Profit or Loss before tax is appropriately classified for the effects of transactions of non-cash nature and any deferrals or accruals of past or future receipts or payments. In the cash flow statement, cash and cash equivalents include cash in hand, cheques on hand, balances with banks in current accounts and other short-term highly liquid investments with original maturities of three months or less.

14. Segment reporting**Identification of segments**

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Group's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available.

The CODM assesses the financial performance and position of the Group and makes strategic decisions. The Group's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets.

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Inter-segment transfers

Inter-segment revenue has been accounted for based on the transaction price agreed to between segments

which is based on current market prices.

Unallocated items

Revenue, expenses, assets and liabilities which relate to the Group as a whole and not allocable to segments on reasonable basis have been included under 'unallocated revenue / expenses / assets / liabilities'.

Segment Policies

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the consolidated financial statements of the Group as a whole. Operating segment is reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker (CODM).

15. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred under finance costs.

16. Foreign Exchange Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction.

At end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated at the exchange rates prevailing on that date. Non-monetary items that are measured in terms of historical cost in a foreign currency, are not retranslated.

Exchange difference on monetary items are recognised in the Statement of Profit and Loss in the period in which these arise.

17. Income Taxes

Tax expense recognized in the Statement of Profit and Loss comprises the sum of deferred tax and current tax not recognized in other comprehensive income or directly in equity.

Calculation of current tax is based on tax rates in accordance with tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred income taxes are calculated using the Balance Sheet approach on temporary differences between the carrying amounts of assets and liabilities in financial statements and the amount used for taxation purposes.

Deferred taxes pertaining to items recognized in other comprehensive income (OCI) are disclosed under OCI.

Deferred tax assets are recognized to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilized against future tax liability. This is assessed based on the Company's forecast of future earnings, excluding non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Deferred tax liabilities are generally recognized in full, although Ind AS 12 'Income Taxes' specifies some exemptions.

Minimum Alternate Tax (MAT) Credit are in the form of unused tax credits that are carried forward by the Company for specified period of time, hence, it is presented as Deferred Tax Assets.

As a result of these exemptions the Company does not recognize deferred tax liability on temporary differences relating to goodwill, or to its investments in associates.

18. Employee Benefits**Short-term obligations:**

Short term obligations are those that are expected to be settled fully within 12 months after the end of the reporting period. They are recognised up to the end of the reporting period at the amounts expected to be paid at the time of settlement.

Other Long-term obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after end of the period in which the employees render the related service.

Long-term compensated absences are provided for on the basis of an actuarial valuation at the end of each financial year. Actuarial gains / losses, if any, are recognised immediately in Statement of Profit and Loss.

Defined Contribution Plans:

Contribution payable to recognised provident funds, which are substantially defined contribution plans, is recognised as expense in the Statement of Profit and Loss, as they are incurred.

Defined Benefit Plan:

The obligation in respect of defined benefit plan, which covers Gratuity, is provided for on the basis of an actuarial valuation at the end of each financial year. Gratuity is funded with an approved trust.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur.

Re-measurement recognised in other comprehensive income is reflected immediately in OCI Reserve and will not be reclassified to Statement of Profit and Loss.

Bonus Payable:

The Company recognised a liability and an expense for bonus. The Company recognised a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

19. Lease:

The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration. This policy has been applied to contracts existing and entered into on or after April 1, 2019 as per Ind As 116.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense over the lease term.

In the comparative period, leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments and receipts under operating leases are recognised as an expense and income respectively, on a straight line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

20. Trade receivable

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. If the receivable is expected to be collected within a period of 12 months or less from the reporting date (or in the normal operating cycle of the business, if longer), they are classified as current assets otherwise as non-current assets.

Trade receivables are measured at their transaction price unless it contains a significant financing component or pricing adjustments embedded in the contract.

21. Financial Instruments**Initial Recognition and Measurement:**

Financial assets (other than trade receivables) and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through Statement of Profit and Loss which

are measured initially at fair value.

Trade receivables are recognised at their transaction value as the same do not contain significant financing component.

Trade payable is in respect of the amount due on account of goods purchased in the normal course of business are recognised at their transaction value as the same do not contain significant financing component.

Classification and Subsequent Measurement:

Financial Assets:

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) on the basis of both

- (a) Business model for managing the financial assets, and
- (b) The contractual cash flow characteristics of the financial asset

A Financial Asset is measured at amortised cost if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset is measured at fair value through Other Comprehensive Income (FVTOCI) if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and
- (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A Financial Asset shall be classified and measured at fair value through profit or loss (FVTPL) unless it is measured at amortised cost or at fair value through OCI. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Equity Investments:

Equity investments in Subsidiary are out of scope of Ind AS 109 and hence, the Company has accounted for its investment in Subsidiary at cost. All other equity investments are measured at fair value.

Equity instruments, which are held for trading are classified as at FVTPL. For equity instruments other than held for trading, the company has exercised irrevocable option to recognise in other comprehensive income subsequent changes in the fair value.

Derecognition of financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises an associated liability.

On derecognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in the Statement of profit and loss.

Financial Liabilities and Equity Instruments

Classification as Debt or Equity:

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial liabilities:

Financial liabilities are classified, at initial recognition:

- at fair value through Profit or Loss,
- loans and borrowings, payables, or
- as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, they are recognised net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings, including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent Measurement:

The measurement of financial liabilities depends on their classification, as described below:

Financial Liabilities at FVTPL:

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognition at FVTPL are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

Loans and Borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and loss.

Derecognition of Financial Liabilities:

The Company de-recognises financial liabilities when and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability de-recognised and the consideration paid and payable is recognised in the statement of profit and loss.

22. Research and Development Expenses (R&D)

Revenue Expenditure – Revenue expenditure incurred on R&D is capitalized and is amortized equally over a period of five years. The same is shown in Fixed Assets Schedule (PPE).

Capital Expenditure – Capital expenditure incurred on R&D is capitalized and depreciation on the same is provided for on WDV basis as per useful life mentioned in Schedule II of the Companies Act, 2013.

23. Provisions and contingent liabilities**Provisions:**

A Provision is recorded when the Company has a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Contingent liabilities:

Whenever there is possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability are considered as contingent liability.

Show cause notices are not considered as Contingent Liabilities unless converted into demand.

Contingent Assets:

Contingent assets are not recognised in the financial statements since this may result in recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related assets is not a contingent assets and is recognised.

24. Earnings per share

Basic earnings per share are calculated by dividing the Net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the Net Profit or Loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are considered for the effects of all dilutive potential equity shares.
